TEENTECH Forum

Thomson@2005: I always read about teens and how much time they spend on their electronic devices. Is it a good idea for teens to have a lot of electronic devices? What do you think?

**Dan@14:** Of course it is! Having a device like a smartphone is a great way for me to contact friends and family members – especially the ones I don't see very often. I share photos and send them text messages on a messaging app all the time. I also use my laptop and my tablet to do research and improve my computer skills.

**Harrison@008:** Electronic devices can have some negative effects on teens. I had a tablet, a smartphone and a games console. I spent too much time playing video games and going on social media. My parents said it would reduce my **attention span** and make me lack social skills. My doctor told me I was gaining weight, too. Now, I just have a smartphone and I only use it after I finish my homework. I'm glad I stopped wasting so much time on electronic devices.

**Question 13.** *What is the main topic of the forum discussion?*
