TEENTECH Forum

Thomson@2005: I always read about teens and how much time they spend on their electronic devices. Is it a good idea for teens to have a lot of electronic devices? What do you think?

Dan@14: Of course it is! Having a device like a smartphone is a great way for me to contact friends and family members – especially the ones I don't see very often. I share photos and send them text messages on a messaging app all the time. I also use my laptop and my tablet to do research and improve my computer skills.

Harrison@008: Electronic devices can have some negative effects on teens. I had a tablet, a smartphone and a games console. I spent too much time playing video games and going on social media. My parents said it would reduce my **attention span** and make me lack social skills. My doctor told me I was gaining weight, too. Now, I just have a smartphone and I only use it after I finish my homework. I'm glad I stopped wasting so much time on electronic devices.

Question 21. *What is the main topic of the forum discussion?*

- A. Different ways to improve computer skills.**
 B. Some effects of electronic devices on teens.
 C. Different ways to contact friends and family members.
 D. Several benefits of social media for teenagers.

Question 22. *Why does Dan@14 believe it's good for teens to have electronic devices?*

- A. Because he can gain weight and finish his homework.
 B. Because he can play video games on the screen all the time.
C. Because he can stay connected with friends and relatives and better his computer skills.
 D. Because he can improve his social skills by making friends with new people.

Question 23. *Where does Dan@14 share photos and send messages?*

- A. On TeenTech forum.
 B. **On a messaging app.**
 C. On a games console.
 D. On a computer website.

Question 24. *How does Harrison@008 change his habits of using electronic devices?*

- A. He completely stops using electronic devices.
- B. He spends most of his time playing video games on social media.
- C. He starts using more types of electronic devices.
- D. He only uses his smartphone after finishing his homework.

Question 25. *The phrase 'attention span' in the text probably means _____.*

- A. the learning method someone can use
- B. the period of time someone can focus
- C. the ability someone can remember
- D. the learning style someone can choose
