### TEENTECH Forum

**Thomson@2005:** I always read about teens and how much time they spend on their electronic devices. Is it a good idea for teens to have a lot of electronic devices? What do you think?

**Dan@14:** Of course it is! Having a device like a smartphone is a great way for me to contact friends and family members – especially the ones I don't see very often. I share photos and send them text messages on a messaging app all the time. I also use my laptop and my tablet to do research and improve my computer skills.

**Harrison@008:** Electronic devices can have some negative effects on teens. I had a tablet, a smartphone and a games console. I spent too much time playing video games and going on social media. My parents said it would reduce my attention span and make me lack social skills. My doctor told me I was gaining weight, too. Now, I just have a smartphone and I only use it after I finish my homework. I'm glad I stopped wasting so much time on electronic devices.

Question 15. *What is the main topic of the forum discussion?*

- A. Several benefits of social media for teenagers.
- B. Different ways to contact friends and family members.
- C. Some effects of electronic devices on teens.
- D. Different ways to improve computer skills.

Question 16. *Why does Dan@14 believe it's good for teens to have electronic devices?*

- A. Because he can gain weight and finish his homework.
- B. Because he can improve his social skills by making friends with new people.
- C. Because he can play video games on the screen all the time.
- D. Because he can stay connected with friends and relatives and better his computer skills.

Question 17. *Where does Dan@14 share photos and send messages?*

- A. On a messaging app.
- B. On TeenTech forum.
- C. On a games console.
- D. On a computer website.

Question 18. *How does Harrison@008 change his habits of using electronic devices?*

- A. He spends most of his time playing video games on social media.
- B. He only uses his smartphone after finishing his homework.
- C. He starts using more types of electronic devices.
- D. He completely stops using electronic devices.
